

## PRESS RELEASE

Title: **'Confectionery Production' – Lorien builds better bakery story**

The screenshot shows the website for Confectionery Production. The header includes the company name in a large, stylized font, a search bar with the text 'Keyword Search', and a navigation menu with links for HOME, ABOUT US, SUBSCRIBE, NEWSLETTER, ADVERTISE, and CONTACT. On the left side, there is a sidebar with a list of menu items: NEWS, EDITORS' BLOG, SUPPLIERS DIRECTORY, EVENTS DIARY, LIBRARY ARCHIVE, LATEST PRODUCTS, and CONFECTIONER'S COMMENT. Below this sidebar is a logo for CHR HANSEN with the tagline 'Improving food & health'. The main content area features an article titled 'Building a better bakery' dated 08/04/2010. The article text describes a multi-million pound development project by Lorien Engineering Solutions (LES) for Frank Roberts & Sons, a bakery in Northwich, Cheshire. It mentions that planning permission has been secured for a site modernisation project and that LES has been appointed as the building and utility designers, project managers, and project managers of the new facility. The article also includes quotes from Mike Braddock, managing director of Frank Roberts & Sons, and Phil Colquhoun, Project Manager at LES. On the right side of the article, there are two promotional boxes: one for a LOGIN form with fields for Email and Password, and a SUBSCRIBE button; and another for a newsletter sign-up with the text 'Sign Up for our newsletter' and an envelope icon. At the bottom right, there is a logo for the SIAB 9th International Techno-Bake Exhibition.
