

## PRESS RELEASE

Title: 'Process Engineering' releases May 2010

### Polish staff appointments

#### Investment in Poland

### LORIEN ENGINEERING SOLUTIONS

The engineering design and project management specialist is strengthening its presence in Poland with the appointment of two key recruits to its recently-launched office in the country. Piotr Muszalski is project manager and Artur Antoniuk is business development manager at Lorien Engineering Polska, based in Wroclaw. Lorien business from non-UK sources rocketed from less than 5% in 2005/06 to 40% in 2008/09, with project managers working throughout Eastern and Western Europe and Russia on brewing, food and pharma projects.

### Frank Roberts Bakery expansion

#### Building a better bakery

### LORIEN ENGINEERING SOLUTIONS

The engineering and project management company is backing a major modernisation project at Frank Roberts & Sons' Rudheath bakery in Northwich, Cheshire. The construction consists of a 3,000m<sup>2</sup> distribution centre at the site, which produces two million loaves, rolls and morning goods weekly. Lorien has been appointed building and utility designer for the development and will also be in charge of the integrated design and project management of the new facility. Manufacturing capability at the factory must continue and customer service maintained.
